

MARYSVILLE FIRE DEPARTMENT

Service since 1851

Invites your application for:

INTERN FIREFIGHTER

The Position:

The Intern Firefighter is a temporary position for someone interested in serving the community while completing the required training hours (six months) towards their CSFM Fire Fighter 1 certification. This internship is a training/student position that works a 48-96 schedule while assigned to a three (3) person Engine Company for an average of 10 (ten) 24 hour shifts per month. Under the direct supervision of a Fire Captain or designee, the Intern will participate in all responses and assignments, trainings, public education, and community activities.

- Intern Firefighters assist the paid staff and are primarily utilized as a support role with task assignments to grow based on capability and skill level. Student Intern Firefighters are paid \$30 per shift. Anyone meeting the requirements is encouraged to apply.

Application Requirements:

- At least the age of 18 years old
- Valid California Driver's License
- Reliable transportation with current Auto Insurance
- Clear DMV Record
- No Criminal Record
- Must be a legal US Resident
- CPAT within 12 months

Entrance Requirements:

- High School Graduate or GED
- Pass Marysville Fire Department Oral Interview
- Pass a Live Scan Background Check
- Pass an Entrance Physical Exam
- Have graduated from a California State Fire Marshall accredited Firefighter 1 Academy

Job Requirements:

- Attend all required training sessions.

Must maintain required certifications and qualifications, including but not limited to:

- EMT and CPR
- Respiratory Clearance – Provided by department
- Hepatitis B Inoculations– Provided by department
- Maintain the required level of physical fitness
